INTRODUCTION

TO THE LAUSANNE GRAND SLAM

Step into the Olympic arena! From August 28 to 30, 2026, the Vaudoise Arena, in the heart of the Olympic capital, will host a Judo Grand Slam organized under the auspices of the International Judo Federation for the first time.

This inaugural edition, designed to be fully inclusive, will bring together elite, para-judo, and adapted judo competitions on the same tatami—because the passion for judo is for everyone.

Combining sporting prestige with strong values, the LAUSANNE JUDO GRAND SLAM 2026 will offer a unique experience to host your guests in an exceptional setting thanks to the Official Hospitality programme.
